## YOUR SEAFOOD IS OUR FOCUS

Passion is what keeps MSC moving ahead when crossing oceans, or reaching far away corners of the globe. Innovation drives the way we develop technology to transport goods faster, more efficiently and in a more sustainable manner. Our growing fleet, modern equipment and dedicated teams, demonstrate the commitment of MSC towards our customers. We are a family company, founded by Captain Gianluigi Aponte, and our focus remains true to our roots, building and retaining long-term trusted partnerships with customers of all size and scale. We care for our people, our customers and their cargo.

# MSC SUSTAINABILITY ENGAGEMENT

## OUR PURPOSE

We connect the world, fostering inclusive social prosperity and economic growth, whilst respecting and nurturing the home we all share - our blue planet.

## ENABLING SUSTAINABLE SUPPLY CHAINS

MSC's strong core values are reflected by our long term commitment to sustainable development. We are ambitious and take pride in delivering on our commitments, collaborating with our partners to create shared value and to ensure sustainable supply chains. At MSC, we regard sustainability as a strategic imperative and, above all, a business priority. As an active participant of the United Nations Global Compact our ambition goes above and beyond compliance as we integrate sustainability in all aspects of our day-to-day operations.

## OUR SUSTAINABILITY ROADMAP

MSC's sustainability roadmap is fully aligned with the SDGs and the UN Global Compact's Ten Principles, creating value throughout our global operations. By intensifying our efforts to address climate challenges, MSC is **enabling logistics decarbonisation** by working towards carbon neutrality, supporting logistics transitional solutions as well as maintaining our ongoing focus on energy efficiency. We connect the world, **fostering inclusive trade** by securing organic growth and generating value among the local economies and societies that we serve. **Addressing social challenges** is at the heart of MSC business, as we maintain our unwavering focus on people and on related social issues around human rights, diversity and inclusion.
