

# YOUR PARTNER FOR SECURE PHARMACEUTICAL SHIPMENTS

Powered by cutting-edge reefer technology, MSC ensures that your products are transported in optimal conditions, safeguarding their quality throughout the journey. We offer GDP compliant transportation services that adhere to the strict quality standards set by the European Commission.

## COMPLIANT TO THE HIGHEST INDUSTRY STANDARDS

As a certified supplier we observe strict security procedures, pre-trip inspections, temperature checks, CAPA, traceability tests and much more, as required by GDP standards

## OVER 1,000 EXPERTS

Our reefer specialists are always available

## DEDICATED CUSTOMER SERVICE

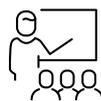

Deep knowledge of the pharma industry, pre-trip inspection and cargo monitoring

## CONTINUOUS INVESTMENT IN OUR FLEET

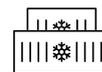

Our world-leading fleet features reefer containers equipped with the most efficient & environmentally friendly refrigeration units (Natura Line Prime Line)

## CONTINUOUS TRAINING

The MSC Reefer Academy provides courses on the latest standards and technologies

## WORLD-LEADING REEFER FLEET

Your pharmaceuticals can be transported in 20' reefers or 40' high cube reefers, equipped with latest cooling technology

## DOOR-TO-DOOR SOLUTIONS

MSC provides a selection of additional solutions, such as intermodal transportation, customs clearance and warehousing for a seamless journey from start to finish

## GLOBAL COVERAGE

We offer worldwide shipping routes that provide direct connections on key routes

## MSC CARGO INSURANCE

From the quotation of your premium to the handling of your potential claim, you can rely on our commitment
